AUDIT EXECUTIVE SUMMARY:

The scope include an open farm growing Tomato (321.64 acres of Round and Roma varieties) over plastic mulch, active season identified from April with planting and October with the last harvest. There is a map making reference to the traceability system, coordinates, neighbors (roads, woods and other agricultural lands), water source (1 well for spraying applications and flowing water previously filtered for fertigation and drip irrigation). No activities observed during the audit. Auditor performed a perimeter walk throw, the neighbors consist on roads and other fields. Also review documentation logs such as: SOPs, training attendees, suppliers, microbial analysis, crop protection applications, risk assessments, among others.

Note: this audit was carried out along with other 2 FM's.
